

Bishop Chatard Girls' Basketball Hoops Camp

Varsity Head Coach Bill Silvey, his staff and players, will personally work with your daughter at her playing level to improve her fundamentals. We put the F-U-N into fundamentals.

In addition to learning more about basketball in a fun environment and getting to know more kids, each camper will receive a cool Lady Trojan Basketball camp t-shirt.

Campers will be invited to special Home Games next season and every camper will have a chance to have their name drawn to become the Honorary Ball Girl for a Varsity game next season.
