

Work Study Opportunities for School Year 2011-2012

For this next school year 2011-2012, we are offering a similar work study plan like we did last year.

Depending on the response that we receive, we will tailor the work study program to fit both Bishop Chatard and your needs.

First priority will be given to families that applied for financial aid. If there are any openings available after that, we will take other students/families.

We are proposing four options for our families—two in the summer and two in the school year.

Option one: Session One: June 6 thru June 30, 2011 Mon thru Thurs. 8 until noon. The student/family will be earning a tuition credit of \$8 per hour that they work.

Option two: Session Two: July 11 thru July 29, 2011 Mon thru Fri. 8 until noon. The student/family will be earning a tuition credit of \$8 per hour that they work.

Option three: First semester of the School year 2011-2012-- each school day. The student/family will be earning a tuition credit of \$5 a day and be required to work approx. 30 minutes after every school day.

Option four: Second semester of the school year 2011-2012—each school day. The student/family will be earning a tuition credit of \$5 a day and be required to work approx. 30 minutes after every school day.

Under both of these options, your student/family will be required to do basic maintenance duties like cleaning, painting, etc. If your student does not show up or does not perform their jobs well, they may be asked to not return.

Until we finalize the program, you can choose one or more than one of the sessions. We will notify you after we accumulate all the information as to what session(s) will work for both of us.

If you are interested, please email Meg Horcher at mhorcher@bishopchatard.org. Please indicate which session that you are interested in. If you have an interest in more than one session, please rank your sessions by preference. Also include your name and a phone number that we can reach you at. And respond back to us by Thurs. May 26th.

Thank you!
