

PRACTICE INFORMATION

There will be a parent and player meeting on Sunday, December 11th from 6:00-6:30 p.m. in the Bishop Chatard gym. The meeting will consist of receiving information to register on-line for AAU volleyball, completing the medical form, answering questions and providing additional information on the club.

The meeting will be followed by a skills introduction clinic for the players from 6:30-8:00 p.m.

When we receive your registration, we will send out a confirmation via e-mail which will also list the dates and times of the first few practices.

GENERAL INFORMATION

HOW MANY TEAMS WILL THE BISHOP CHATARD VOLLEYBALL CLUB HAVE?

We will have 4 teams, with each team carrying 11-12 players. If the registrations exceed these numbers and resources are available, we will add a fifth team. If that option is not available, we will make a cut* to stay within our guidelines. The guidelines are to ensure that each player get optimal playing time.

*note: If a player is cut from the club, they will receive a full refund.

The first few practices will be an “evaluation” period. Players will be placed on the teams based on a variety of things including: age, skill level, position, CYO team and school.

WHAT IS THE COST?

The cost will be \$450.00 per player. (This is significantly lower than most local clubs.)

This fee includes payment for:

- Uniforms = 2 jerseys, knee pads, and a sweatshirt
- Equipment (every player will receive their own ball to be used at practices and games)
- AAU Registration Fees
- Tournament Entry Fees
- Coach's Salaries

Note: We will NOT be providing spandex shorts, but we ask that each player provide their own black spandex shorts for the tournaments.

Upon registration we ask for a \$250.00 registration fee. This fee is **NON-REFUNDABLE** after the parent meeting (with an exception if the player is cut), as we will immediately use these fees for AAU registrations, tournament fees and uniforms.

The remaining balance of \$200.00 must be paid in full before the first tournament. A due date for the remaining balance will be posted on the website.
