PARENT-TO-PARENT CONTRACT 2010-2011

Please sign (one per family) and return to the Trinity Club by Aug. 13, 2010. Contracts may be mailed to BCHS (attention Trinity Club) or sent to school with your student.

Participating parents will be listed in the parent directory.

Because I care what happens to our children, because I respect you as a parent, and because I know that it is tough to be a good parent without the caring support of others, I agree to the following:

1. I will not provide alcohol or drugs to minors in my home.
2. I will not allow any minors to bring and/or consume alcohol or drugs in my home.
3. If I suspect that your son/daughter has been drinking or is under the influence of drugs, I will call you so that you may come to pick him or her up. If I cannot reach you, I will drive your child home if I suspect that his or her judgment may be impaired while driving.
4. I will not rent hotel/motel rooms or provide any other area for parties or get-togethers which will not be under my direct supervision.
5. If I become aware that a party is being planned in your home, I will call you to find out how it will be supervised.
6. If my son/daughter informs me that he or she is planning to stay overnight at your home, I will call to find out if you have approved him/her staying there and what supervision will be provided.
7. I ask that you call me **ANY TIME, DAY OR NIGHT**, if you are worried about the whereabouts of your son or daughter and I or my son or daughter might be able to provide you with information.

In return, I ask that you do the following for me:

1. Do not provide drugs or alcohol to minors in your home.
2. Do not allow my son or daughter or any other minor to bring drugs or alcohol into your home.
3. If you suspect that my son or daughter has been drinking or is under the influence of drugs, call me immediately and do not allow him/her to drive if his/her judgment is impaired. If I cannot be reached please drive him/her to my home.
4. Do not rent motel/hotel rooms or provide any other area for unsupervised parties or get-togethers.
5. If you hear that a party is being planned in my home, call me and ask what supervision will be provided. If you hear that a party took place in my home in my absence, call and inform me.
6. Call me if you believe that your son or daughter has been invited to stay overnight in my home so that I am aware that he or she will be under my supervision.
7. Allow me to call you **ANY TIME, DAY OR NIGHT**, if I am worried about the whereabouts of my son or daughter and have reason to believe that you or your son or daughter might be able to provide me with information.

By signing this contract, I understand that my name will be published and distributed to other parents so that they will know that I support the terms of the contract and am an approachable parent. I also understand that if you call me it is out of love and concern for our children, and I will treat you with respect.
