50th ANNIVERSARY CELEBRATION PLANNED

Bishop Chatard High School will host a 50th anniversary celebration September 13, 2011. The celebration will be a part of the traditional Annual Fund Dinner. Many alumni, teachers and administrators will be in attendance to celebrate this special occasion.

The evening will begin with hors d'oeuvres and guided tours showcasing the exciting improvements made to Bishop Chatard in recent years.

Guests will enjoy a complimentary dinner followed by a presentation of the 50 year history of the school. Fond memories are sure to abound as members of the school community gather for this special tribute to reminisce about the "good old days" at Bishop Chatard.

President Bill Sahm will also present an overview of the goals after a successful campaign and the positive impact it will have on facilities and programs.

A traditional Annual Fund appeal will also be included as part of the festivities. Last year's event raised a total of \$341,000 to fund teacher compensation, technology and tuition assistance. It is hoped that this year's total will exceed the amount raised last year.

**PAUL & MARY WEAVER
LEAD MAJOR GIFT PHASE**

The Major Gift Phase is now underway. Paul '79 and Mary (Sullivan) '81 Weaver have graciously agreed to chair this portion of the Golden Opportunities Capital Campaign.

The Weavers are members of St. Pius X Parish and have three children. Their son, Danny, is a member of the Class of 2013 and their daughter, Erin, is a member of the Class of 2015. Their oldest daughter, Kathleen, graduated in 2010 and will be a sophomore at Purdue University this fall.

The Weavers have organized a committee of hard-working parents and alumni to assist in this phase of the campaign. Members of the committee include: Rob & Libby Doyle; Dave & Anne Godlevske; John & Theresea Schueth; and Steve & Anita Sergi.

The Weavers feel blessed to be in this leadership position and look forward to contributing to the campaign. Paul has been impressed with the recent changes the school has made and welcomed the position with open arms. "We have seen Chatard implement so many great improvements the last few years, including the strong faculty and facilities. We are proud to be a part of the ongoing efforts," he said.

The leaders of the Major Gift Phase will be meeting with individuals, couples and business people to ask for prayerful consideration to support the Golden Opportunities Capital Campaign with a gift/pledge of \$10,000 or more. Phase progress will be updated in future issues of this newsletter.
