

STUDENT ACTIVITIES

Clubs and Groups

The success of our athletic teams here at Bishop Chatard High School is well-known. It is our fervent hope that our extra-curricular and co-curricular clubs and groups will enjoy the same level of participation and accomplishment for our students. In the past year we have reviewed and expanded our club offering, and we continue the process to ensure that we are meeting the needs and interests of all of our students.

Below you will find a list of current clubs and groups. For more information about any of these groups, or if you are interested in becoming involved by volunteering, or if you have ideas for additional possibilities, please contact Mr. David Smock, our Student Activities Coordinator, or the moderator. Also, please encourage your student to become involved in this important aspect of student life here at Bishop Chatard.
