

2025-2026 ANNUAL REPORT

BILL SAHM
President

ROOTED IN FAITH
INSPIRING FUTURES

Greetings Bishop Chatard families and friends!

A typical Annual Report letter from a school administrator to the school community is full of numbers: academic and extracurricular achievements, student participation in retreats, leadership and service opportunities, fundraising, enrollment, and finances. All of which would indicate an extremely successful 2025/2026 school year. Due to the "elephant in the room" (or rather on the campus!), I would like to instead share the good news of all the recent, current, and forthcoming projects that will further enhance the already remarkable Bishop Chatard student experience.

Recent.

In the Summer of 2025, we completed the new student life center, transforming the cafeteria, circa 1961, with the exception of a few modest updates over the past 65 years. It still functions as a cafeteria for 90 minutes in the middle of the school day and as a hang-out space before school, where breakfast is served and friendships are fostered. It is also a lively place after school, with multiple teams and clubs using the various breakout spaces. It's pretty cool to drop in before school and see 300-plus students enjoying their friends. The decibel level is off the charts!

We were able to modify the Kyle Guyton Theater, allowing us to add a classroom and transform the theater into the beautiful Kyle Guyton Lecture Hall/classroom. It will still be used as a mini theater until the Fall semester of 2027.

The music room received a full transformation with state-of-the-art acoustics, updated lighting, and beautiful finishes.

A new storage/maintenance building is just now coming online. It is located in the stadium across from the concession stand, and a portion of it serves as a spirit wear shop during large stadium events.

Current.

The Spring of 2026 began with the groundbreaking for the most dramatic and extensive set of projects ever undertaken at Bishop Chatard since the original building was constructed. You will see photos herein of the performing arts center and chapel progress as qualification of the previous "elephant in the room" reference! The Mary Queen of Heaven chapel will seat 220 students, allowing us to have all class masses on campus, as well as prayer and devotions for theology classes and extracurricular teams. The performing arts center will seat over 500 audience members and provide a state-of-the-art entertainment experience for our student artists, support staff, and guests. These buildings are creating much excitement among our students, parents, faculty and staff, alumni, and friends. Our anticipated completion date is Summer of 2027.

Houses have been purchased and demolished, and Evanston Avenue and Northgate have been vacated (they are now our property). Parking is being added on the former Evanston Avenue and a recently purchased property on Northgate.

Future.

We plan to complete the new 6-tennis-court project by the beginning of the Fall 2027 semester. These competition courts will be used by our tennis teams and physical education students. We will also provide programming for North Deanery parish grade school students through camps, clinics, and leagues.

The baseball/multi-purpose field will soon have competition lighting for the benefit of the baseball teams, multiple CYO football teams, and BCHS football and soccer teams that use it for practice.

The Robotics/STEM lab will be completed over the Summer of 2027, allowing us to accommodate a growing number of students in this successful and dynamic program. Over the next two summers, we will update all science labs and other specialty classrooms with new equipment, lighting, and finishes.

2 new classrooms will be added over the Summer of 2027. We will also be transforming the existing main gym stage into athletic offices and a golf simulator for our golf teams.

This is not the entire list, but hopefully you get the idea! God bless all of you who, through your prayers, time, talent, and treasure, support the mission of Bishop Chatard High School.

Go Trojans!

WINTER GAMES
CHATARD-A-BRATION
2026

Chatard-a-Bration continues to be a highlight of the Bishop Chatard community, bringing together more than 400 guests for a memorable evening of celebration, generosity, and school spirit. Despite the cold, attendees enjoyed an outdoor cocktail hour in a festive winter village featuring cozy firepits, curling, and espresso martinis before gathering in the Lodge for a delicious dinner, lively entertainment by The Downstairs Dads, and exciting live and silent auctions filled with camaraderie and Trojan pride.

The event's success is due to the incredible generosity and support of the BC community, raising over $400,000 for the Bishop Chatard Annual Fund, which provides tuition assistance and supports our dedicated teachers. Additional funds were raised through a special Fund-a-Need initiative to convert the existing Kyle Guyton Theatre into a lecture hall.

A heartfelt thank you goes out to the many sponsors, donors, volunteers, and committee members whose hard work made the evening possible. Special appreciation is extended to Advisory Chairs Kelli and Russ Lawrence '89, emcee Andy Schroeder '93, and the more than 60 families who helped with planning, logistics, and auction item donations. Their leadership and dedication ensured the event's financial and social success, filling hearts with gratitude and making Chatard-a-Bration one of Bishop Chatard's favorite annual traditions!
