Summer School Student Guidelines 2026

Student Code of Conduct

All students are expected to uphold the dignity of the human person and behave accordingly. Any action that violates that dignity will be considered outside the appropriate code of conduct and will result in consequences as directed by the

administration of the school. The code of conduct applies to all school activities, on or off property, on school property at any time, or while traveling to or from school or school activities.

In addition, a student committing an act that violates Indiana or federal law at any time or place may be suspended or expelled if the unlawful act is directed toward a school employee, or student, arises out of a school relationship or has caused and can be predicted to cause in-school consequences.

Failing to comply with the directions of teachers or other school personnel during any period of time is not accepted. Students must completely and truthfully respond to questions from a staff member regarding school-related matters including potential violations of the student conduct rules or state or federal law.

Additionally, any action that is contradictory to the mission of the school, the Catholic Church, or its community at large will result in consequences as directed by the administration of the school.

Please read the following document regarding our Responsible Use Policy.

Attendance Information

Students are allowed no more than one absence. The vast majority of course content is delivered during class time. Consistent attendance in summer school is critical for academic success. Students are required to be in attendance for the first two days and the last two days of summer school.

Summer school is in operation from 8:00-11:30 am from June 1-19, 2026. Since experience and research have proven a direct relationship between attendance and academic excellence, Bishop Chatard considers attendance an important matter. Proactive communication by the parents with the school is essential with regard to student attendance.

To report an absence:

The parent/guardian should email your child's summer school teacher before 8:30 am on the day the student will not be in school. Include the information listed below.

- The parent's/guardian's name;
- The name of the student and his/her year (freshman, sophomore);
- Whether the student will be late, absent, or dismissed early;
- The reason for the late arrival, absence, or early dismissal;
- A telephone number where the parent may be reached between 8 am and noon.

Notification: If the teacher does not receive an email by 8:30 am from a parent/guardian, the teacher and/or administration will contact the parent/guardian.

Make-up work during the absence is the responsibility of the student. The student must contact his or her teacher and submit the missed work within the established time frame. A general guideline is that a student will have one class meeting to do makeup work for each class meeting he/she is absent.

Students will be issued a Bishop Chatard iPad on the first day of summer school.

Dress Code for Summer School

Students are not required to wear the standard Bishop Chatard school uniform. Shorts and T-shirts are acceptable. Students are expected to dress and carry themselves in a manner that upholds their dignity as children of God. Please avoid the following: excessively short shorts, spandex shorts, or visible sports bras. Sandals are acceptable.

To promote a safe, unobstructed environment, to encourage self-discipline and organization, and to control food and drinks in the classrooms, small bags may be brought to school. All students are asked to come to school on the first day of summer school with a pencil. Any additional materials will be requested by the summer school teacher on the first day of school.

Grading Scale

All students will receive a course syllabus on the first day of summer school. All grades will be mailed home within two weeks of the end of the summer session. All grades will be based on the following scale:
