**BISHOP CHATARD HIGH SCHOOL**, a dynamic educational environment for young men and women with different life experiences, is directed to the success of each student, focused on the growth of the whole person, and modeled on the teachings of Jesus Christ and the Catholic Church.

Bishop Chatard High School prepares students for a life-long commitment to faith, learning, leadership and service.

Dear Trojans,

I don't have to look very hard for evidence of another remarkable year at Bishop Chatard High School. 151 members of the Class of 2017 earned \$24,177,000 in college scholarships, a record average of nearly \$160,000 per graduate. 100 percent of our seniors received their diploma, an achievement unequalled in the Archdiocese. Once again, students, faculty, staff and administrators received an A grade and 4 Star School designation from the Indiana Department of Education and Bishop Chatard was awarded with the state's Advanced Placement Award in recognition of our graduating seniors' pass rate on college-level advance placement exams.

All of this data makes Bishop Chatard look really impressive in the eyes of those who would judge a high school solely on its academic excellence. We are likewise pleased that our students' classroom achievement is noteworthy, but that is only part of the story and not the most important part. Because our mission is central to everything we do at BCHS – academic excellence is but a byproduct of our focus on the formation of the whole person – body, soul and spirit.

We have also had a record-breaking year in fund raising, with \$1,370,000 in annual giving. We welcomed 202 freshmen in the class of 2020, the largest class in over a decade. We completed the restoration of the student restrooms and the creation of the Kyle Guyton Theatre, formerly known as a science lab, lecture hall, Room 102, etc..., hired a gifted new principal and witnessed another year of growth and achievement on the part of a very talented and dedicated faculty.

We believe our students are successful in the classroom and in their extracurricular activities because they know that we value them all the same, as children of God with unique gifts and talents. Our job is, in partnership with their parents, to help them discover those gifts and learn to use them to their fullest, in service to their neighbor and for love of God.

Thank you for your generous support of time, talent, treasure and prayer. It truly takes a committed community of people of faith to raise a child or, as our mission states, to "prepare students for a lifetime commitment to faith, learning, leadership and service," modeled on the person of Jesus Christ and the teachings of the Catholic Church.

God bless the Bishop Chatard Community!

Dear Friends,

One of my favorite parts of the Mass occurs right before Holy Communion is distributed. The priest says, “Behold the Lamb of God, behold him who takes away the sins of the world. Blessed are those called to the supper of the Lamb.” Then I (a good cradle Catholic who has all the lines memorized so well that sometimes I can go through a whole Mass responding the appropriate

way while daydreaming) respond, “Lord, I am not worthy that you should enter under my roof, but only say the word and my soul shall be healed.” This moment serves as a constant, yet long overdue, reminder that I am truly unworthy of all the great things that God has given me in my life. I really need to work on my piety!

As a good “cradle Catholic” I am quite familiar with the idea of “time, talent and treasure.” Year after year, I have listened as my pastor explained the importance of giving out of our excess (the main point being that we all have been given so much and, because of the abundance, we should be more giving). However, during the 2016-2017 school year I had a conversation with one of the many generous donors in our community that completely changed the way I view charitable giving.

I reached out to this donor to thank him for yet another significant gift to Bishop Chatard. He followed up with refreshing humility allowing his response to reach me on a simple, yet profound, level. He said, “It is not really my money anyway. Yes, I have worked hard, gotten really lucky, and made some good money. However, if it were completely

left up to me I would be a bum on the street. God is the one that gave me my intellect, work ethic, and allowed me to be raised by some unbelievable parents. God chose me to be simply be a vessel with this money. Therefore, I give this money to Bishop Chatard because I believe that it is just as much your money as mine.” I did not attend nor graduate from Bishop Chatard. However, this experience is one of the many at Bishop Chatard High School that has educated me in how to become a better person.

Thank you to all of the people who chose to financially support Bishop Chatard during the 2016-2017 school year. It was another historic year for fundraising! Your dedication to the mission of Bishop Chatard has made a significant impact on not only the immediate work of the school but, more importantly, your financial gifts have strengthened our foundation, allowing for an enduring future. Lastly, thank you to all of the members of this community who are examples of humility, fortitude and piety. You continue to make Bishop Chatard a unique place that allows all of us to become better versions of ourselves.

## AWARDS

### A SCHOOL OF EXCELLENCE

Bishop Chatard was honored as a School of Excellence by the Catholic Education Honor Roll, part of the Cardinal Newman Society. Only 71 Catholic high schools in the nation received this honor. Schools are awarded the designation based on the integration of Catholic identity throughout all aspects of their programs and excellence in academics.

### 2016 'A' LETTER GRADE

The Indiana Department of Education awarded an 'A' letter grade to our school for the 2015-2016 school year. Indiana's A-F model holds schools and corporations to a higher standard and provides a more accurate picture of their performance by incorporating student academic growth and graduation rates, as well as college and career readiness, as measures of success.

### FOUR STAR SCHOOL

Bishop Chatard High School was named a Four Star School of Indiana for the 2015-2016 school year. Four Star School awards for the 2016-2017 school year are expected in early 2018. In order to achieve this designation, a school must be in the top 25th percentile of schools in two ISTEP-based categories.

### ACCREDITATION

Bishop Chatard is accredited by AdvancEd, the national accrediting agency, and is committed to the education of the whole person. While emphasis is placed on academics, students deepen their faith through retreats, liturgical celebrations, and service projects. They strive to develop their talents and interests through a broad spectrum of extracurricular activities.

### ADVANCED PLACEMENT AWARD

Bishop Chatard High School was recognized in 2017 by the Indiana Dept. of Education for exemplary performance on Advanced Placement exams in 2016. A school must have at least 25 percent of a graduating class receive a 3 or higher on an AP exam to receive the Advanced Placement Award from Superintendent of Public Instruction Dr. Jennifer McCormick, and Bishop Chatard's Class of 2016 had 46 percent reach this level of achievement. BCHS was among the highest-achieving schools in the state.

### PUBLICATION AWARDS

Student publications including the Citadel yearbook and Trojan Matters newsmagazine have won multiple state and national awards for excellence in design, writing and photography. In 2017, members of the Trojan Matters editorial team won 1st and 3rd places in the Woman's Press Club of Indiana "Best of the Best" competition.
