ANNUAL

MISSION

BISHOP CHATARD HIGH SCHOOL, a dynamic educational environment for young men and women with different life experiences, is directed to the success of each student, focused on the growth of the whole person, and modeled on the teachings of Jesus Christ and the Catholic Church.

Bishop Chatard High School prepares students for a life-long commitment to faith, learning, leadership and service.

Dear Patrons of Bishop Chatard,

It is an exciting time in the history of Bishop Chatard High School and I am pleased to share with you some of the good news from the 2017-2018 school year. Due to the fact that we are in the third year of a three-year strategic plan, I will use the outline of the plan to highlight the progress we are making. Here are the general goals and progress of the Strategic Plan.

• **FORMATION OF THE WHOLE PERSON** – Our action steps include the spiritual formation of all of the faculty, staff and administration responsible for student formation. This also includes adult participation in service, professional development for effective instruction, a rigorous curriculum, development of 21st Century skills and the passing on of Gospel values. In addition, we are focused on the support of our Academic Resource program which serves over 120 students with learning differences each year. One of the highlights of this school year is the expansion of our Academic Support program to include students with more severe developmental disabilities.

• **DEVELOP AND IMPLEMENT A STRATEGIC MARKETING PLAN** – The plan has resulted in a new website that is now mobile-friendly and easier for prospective families to navigate. A parallel goal is the development of a North Deanery enrollment plan. The fruits of these efforts are showing in our enrollment growth (688 – 715 students over the past 2 years) and retention rates which outperform the vast majority of tuition-charging schools both locally and nationally.

• **FINANCIAL STABILITY AND AFFORDABILITY** – Financial stability begets affordability, and the following statistics support our success in these areas. From the school year 2015-2016 to the present, we have grown our cash reserves, increased the percent of families that we are able to provide with financial assistance (30% - 46%), and increased the amount of tuition assistance from

\$850,000 to \$1.1 million for the current school year. In addition, our merit-based teacher salary increases have outpaced inflation with the hope of doing even more in the years to come.

• **FUND DEVELOPMENT PLAN** – Since the beginning of the Strategic Plan, we have increased fundraising revenue from \$800,000 to an average of \$1.25 million, which makes possible the increased financial support for families in need and the increases in teacher salaries.

• **CAMPUS AND FACILITIES MASTER PLAN** – Our primary focus is to ensure that our plan aligns with the mission of Bishop Chatard. In preparation for the current school year, we have invested in the enhancement of school security, with personnel, procedural and facility and technology improvements. Over the term of the plan, we have also created the Kyle Guyton Black Box Theater; remodeled all of the student restrooms; made improvements to several classrooms, including science labs; and upgraded our technology capabilities with more bandwidth and storage and new switching equipment. We have also made progress in fundraising for the improvements to our campus including a new parking lot to accommodate 100 plus cars and home-side stadium bleachers that allow us to host such events as home football games and, as a result, build community and support the long-term vitality of our school. An important part of our Master Plan includes two major future projects; a Performing Arts Center and a Connector Building that spans the gap between our two main campus buildings and provides us with six new classrooms and a beautiful new chapel, among other benefits and amenities.

None of this would be possible without the financial and prayerful support of all of our benefactors and the great work being done on the part of our faculty, staff and administration. We challenge our students to greatness, inspired by the truth, beauty and goodness of our faith. Thank you for your part in providing our students this remarkable Catholic educational experience.

God bless you,

“Back home again in Indiana, and it seems that I can see the gleaming candle light, still burning bright, through the Sycamores for me.”

~ lyrics from Back Home Again, In Indiana

Dear Friends,

I was not lucky enough to attend Bishop Chatard for high school. In fact, I was not lucky enough to attend a Catholic high school. I attended a public high school in my hometown of Glen Ellyn, Illinois. It was at Purdue University where I met my future wife (a 2000 graduate of Bishop Chatard) and, since she was the only girl who ever showed interest in me, I thought it best to make Indiana my home if I was even going to have a chance in convincing her to marry me.

I am proud to call Indiana my home. One aspect of living in Indiana that I greatly value is the culture of support for parents when it comes to making the right educational choices for their family. The Catholic Church has remained steadfast in her belief that parents should have the right to choose the best educational environment for their children. In 1965, the Second Vatican Council's "Declaration of Christian Education" stated, "The public power, which has the obligation to protect and defend the rights of citizens, must see to it, in its concern for distributive justice, that public subsidies are paid out in such a way that parents are truly free to choose according to their conscience the schools they want for their children." We are lucky that the state of Indiana models what the Church asks of government when it comes to education. Indiana has put in place several mechanisms to promote and make possible the ability for parents to make the best educational choices for their children regardless of their economic status. Namely, the Indiana Choice Scholarship Program (often referred to as the voucher program) and the Scholarship Granting Organization Program (often referred to as the "SGO" program). I am proud to call Indiana my home.

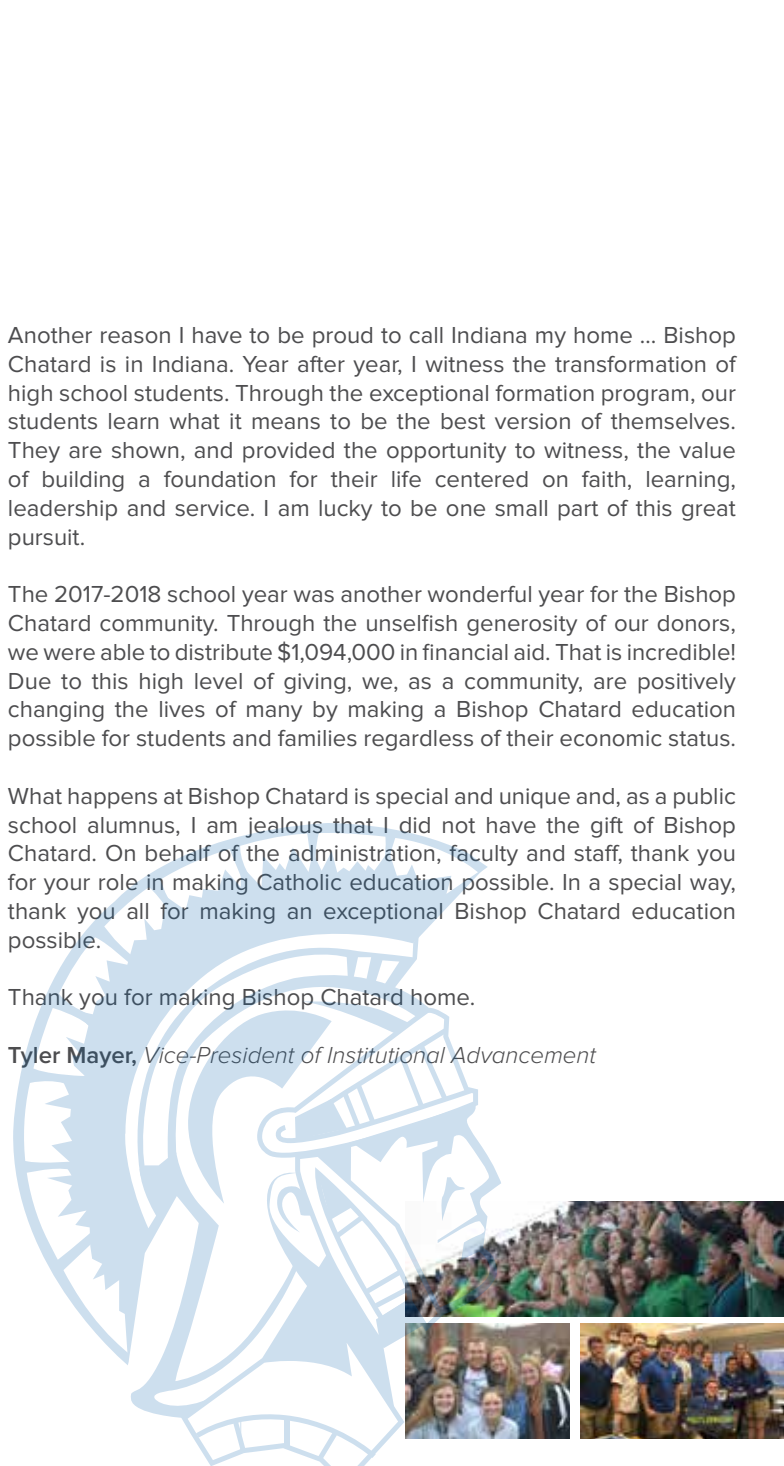

Another reason I have to be proud to call Indiana my home ... Bishop Chatard is in Indiana. Year after year, I witness the transformation of high school students. Through the exceptional formation program, our students learn what it means to be the best version of themselves. They are shown, and provided the opportunity to witness, the value of building a foundation for their life centered on faith, learning, leadership and service. I am lucky to be one small part of this great pursuit.

The 2017-2018 school year was another wonderful year for the Bishop Chatard community. Through the unselfish generosity of our donors, we were able to distribute \$1,094,000 in financial aid. That is incredible! Due to this high level of giving, we, as a community, are positively changing the lives of many by making a Bishop Chatard education possible for students and families regardless of their economic status.

What happens at Bishop Chatard is special and unique and, as a public school alumnus, I am jealous that I did not have the gift of Bishop Chatard. On behalf of the administration, faculty and staff, thank you for your role in making Catholic education possible. In a special way, thank you all for making an exceptional Bishop Chatard education possible.

Thank you for making Bishop Chatard home.

AWARDS

2017 'A' LETTER GRADE

The Indiana Department of Education awarded an 'A' letter grade to our school for the 2016-2017 school year. Indiana's A-F model holds

schools and corporations to a higher standard and provides a more accurate picture of their performance by incorporating student academic growth and graduation rates, as well as college and career readiness, as measures of success.

FOUR STAR SCHOOL

Bishop Chatard High School was named a Four Star School of Indiana for the 2016-2017 school year. Four Star School awards for the 2017-

2018 school year are expected in early 2019. In order to achieve this designation, a school must be in the top 25th percentile of schools in two ISTEP-based categories.

A SCHOOL OF EXCELLENCE

Bishop Chatard was honored in 2014 as a School of Excellence by the Catholic Education Honor Roll, part of the Cardinal Newman Society. Schools are awarded the designation based on the integration of Catholic identity throughout

all aspects of their programs and excellence in academics.

ACCREDITATION

Bishop Chatard is accredited by AdvancEd, the national accrediting agency, and is committed to the education of the whole person. While emphasis is placed on academics, students deepen their faith through retreats, liturgical celebrations, and service projects. They strive to develop their talents and interests through a broad spectrum of extracurricular activities.

ADVANCED PLACEMENT AWARD

Bishop Chatard High School was recognized in 2018 by the Indiana Dept. of Education for exemplary performance on Advanced Placement exams in 2017. A school must have at least 25 percent of a graduating class receive a 3 or higher on an AP exam to receive the Advanced Placement Award from Superintendent of Public Instruction Dr. Jennifer McCormick, and Bishop Chatard's Class of 2017 had 57 percent reach this level of achievement. BCHS was in the top 2 percent of Indiana high schools.
