OUR MISSION

GREETINGS!

This Annual Report tells part of the remarkable story of the 2014/2015 school year at Bishop Chatard. It would be impossible in one publication to communicate all the wonderful student, faculty and staff accomplishments, let alone capture the essence of the experiences that made this year so special.

From the deepening formation in our faith, academic accolades and extracurricular successes to our advancement and financial accomplishments, Bishop Chatard's light shined brightly this past year. And that light is a reflection of an entire community living out our mission, "to prepare our students for a lifelong commitment to faith, learning, leadership and service ... based on the Gospel of Jesus Christ and the teachings of the Catholic Church."

The support from our archdiocese and the investment of our current families provides the foundation for our financial viability. However, tuition and the archdiocesan subsidy do not cover the cost of an education here at Bishop Chatard. In reflecting upon the accomplishments of the past and the promise of our students' futures, it is my hope that you will be inspired to support our mission in some meaningful way.

Thanks to the members of the Board of Regents who work so diligently to guide our school in the path our Lord would have us follow. Thanks to our parents, past and present, who invest their time, talent and treasure in the hopes of supporting not only their own children's Bishop Chatard experience, but the experience of all our students. Thanks to our gifted faculty and staff, who dedicate themselves wholeheartedly to serving the needs of our students. Thanks to our students for providing us the reason and reward for the work we do. Thanks to our alumni and friends of Bishop Chatard who continue to financially support our important ministry.

May this year of Mercy be a year of blessings for you and this wonderful community we call Bishop Chatard.

Because of Christ,

IMPROVEMENT

A SCHOOL OF EXCELLENCE

Bishop Chatard was honored as a 2014 School of Excellence by the Catholic Education Honor Roll, part of the Cardinal Newman Society. This is a two-year distinction. Only 71 Catholic high schools in the nation received this honor. Schools are awarded the designation based on the integration of Catholic identity throughout all aspects of their programs and excellence in academics.

2015 'A' SCHOOL

The Indiana Department of Education awarded an 'A' letter grade to our school for the 2014-2015 school year. Indiana's A-F model holds schools and corporations to a higher standard and provides a more accurate picture of their performance by incorporating student academic growth and graduation rates, as well as college and career readiness, as measures of success.

FOUR STAR SCHOOL

Bishop Chatard High School was named a Four Star School of Indiana for the 2013-2014 school year, the second year in a row! Four Star School awards for the 2014-2015 school year are expected to be announced in April 2016. In order to achieve this designation, a school must be in the top 25th percentile of schools in two ISTEP-based categories. Additionally, a qualifying school must have earned an 'A' in the state's accountability system and be accredited by the Indiana Department of Education.

ACCREDITATION

Bishop Chatard is accredited by AdvancEd, the national accrediting agency, is and committed to the education of the whole person. While emphasis is placed on academics, students deepen their faith through retreats, liturgical celebrations, and service projects. They strive to develop their talents and interests through a broad spectrum of extracurricular activities.

THANK YOU

FRANCIS SILAS MAREAN CHATARD

Silas Marean Chatard was born in Baltimore, Maryland, on December 13, 1834, the same year that Rome created the Diocese of Vincennes. Silas was one of eight children of Ferdinand Chatard and Eilza Marean. His great-grandfather had originally emigrated from France to practice medicine in what is now Haiti. He settled in the United States after the French were forced to leave Haiti in the Haitian independence movement. Silas, as well as his father, grandfather and great-grandfather were all physicians, as were one of his brothers and a number of his nephews and grand-nephews.

Silas completed his elementary school education in a school run by the Daughters of Charity, and he graduated from St. Mary's College in Emmitsburg, Maryland, in 1853. He completed his medical studies and began practicing medicine in a Baltimore hospital which cared for the poor. Against his father's wishes, Silas entered the priesthood in 1856 and was sent to the North American College Seminary in Rome for his studies. He was ordained a priest on June 14, 1862. In 1863, Francis Chatard received a doctorate in Theology. In 1868, Chatard became rector of the college, a position he filled for ten years. Because of his education and conservative views, Chatard quickly became an influential member of the Vatican hierarchy and was a close advisor to Pope Pius IX on American Church affairs.

In 1878, Chatard became the fifth bishop of the Diocese of Vincennes. He realized that Indianapolis would be the future administrative center of the state and requested permission from the pope to establish his residence at the corner of 14th and Meridian streets. In 1898, Rome officially changed the diocese from Vincennes to Indianapolis. In the last years of life, Bishop Chatard turned over his position to Auxiliary Bishop Chartrand but continued to offer daily Mass until his death on September 7, 1918.
