## Free/Reduced Meals

Students receiving free/reduced benefits are eligible to receive a “Meal Deal” for their respective benefits. Included are any entrée/sandwich, vegetable, fruit, whole grain, & milk. This is to ensure all students receive a well-rounded and healthy meal. This also allows all students to select any daily menu item providing flexibility in choice, and not overtly identifying students receiving benefits. Please see the menu for more explanation. Ala carte items are not included in the free/reduced program. Students are responsible for additional charges incurred.

Incoming freshman may now apply for Free/Reduced Lunch Benefits. See directions below. Freshman families who previously received free/reduced lunch at other schools must re-apply at Bishop Chatard. Families need not apply only if they are directly certified-those who receive Medicaid, TANF, SNAP, etc. Qualified families will be notified by mail.

All families must re-apply for free/reduced benefits each year, even if your student received them in the previous year. Families need not apply ONLY if they are directly certified-those who receive Medicaid, TANF, SNAP, etc. Qualified families will be notified by mail.

If your situation changes, applications can be made at any time throughout the school year.

If a student qualifies for free/reduced lunches, he/she automatically qualifies for textbook assistance.
