

SUMMER FIELD STUDY 2019

An Education Unlike Any Other!

Bishop Chatard juniors and seniors are invited to join students from Roncalli and Cardinal Ritter for SFS 2019. Students hike, climb, camp, cook, swim, raft, backpack, play, and pray in a uniquely challenging program that teaches students to respect themselves, to become leaders, and to work to achieve their dreams. Most importantly, students learn to read from the Book of Creation that God has given us to make known His grandeur, wisdom, and love for each of us. Over 2,900 students have participated in this unique outdoor experience.

Destinations for 2019

San Juan National Forest

Located in Southwestern Colorado, this spectacular snow-packed mountain range is home to an abundance of wildlife, majestic waterfalls, and glaciated peaks. At the heart of the area is Mount Wilson. At 14,246 feet, it stands as the highest peak in the San Miguel Range.

Mesa Verde National Park

This unique site features ancient ruins of Native American cliff-dwellers set amidst the desert towers of the Southwest. Mesa Verde also offers an array of trails and numerous activities that focus on the lives of these ancient peoples in North America.

Dates - June 10 - June 23, 2019

Cost - \$1,850 - The tuition covers all transportation, food costs, backpack, sleeping pad, camping and park admission fees, rafting fees, laundry, showers, and lodging expenses. Students provide their own sleeping bag, daypack, and tent.
