

ANNUAL REPORT

The Bishop Chatard community donated over \$37,000 during the Fund-A-Need portion of the 2019 Chatard-A-Bratton to support the enhancement of the school's music program.

BISHOP CHATARD HIGH SCHOOL ,
a dynamic educational environment for young men and women with different life experiences, is directed to the success of each student, focused on the growth of the whole person, and modeled on the teachings of Jesus Christ and the Catholic Church.

Bishop Chatard High School prepares students for a life-long commitment to faith, learning, leadership and service.

The 2018-2019 school year was one of extraordinary accomplishments and a challenging issue that tested our preparedness and helped us grow in our ability to serve our students, faculty and staff.

Our challenge this year was the security threat we experienced in the second semester. Our previously adopted policies and procedures were a great help in guiding us through the response process. Even more helpful and encouraging was the collaboration and effectiveness of our Threat Assessment Team in addressing all aspects of the situation, including responding in a timely manner and communicating to our community. We learned that much of the hard and soft security measures put in place over the past few years were up to current standards. We also learned that it is not enough to rely on current standards when the safety and security of our students, faculty and staff are of primary importance. For this reason, we continue to add security measures, including the hiring of a full-time police officer to be on campus from drop-off time in the morning until the last person leaves at the end of the after-school extracurricular activities.

Thankfully, the accomplishments of the 2018-2019 school year overshadowed any of the challenges we faced. Those accomplishments include the progress made toward our strategic goals. The three-year strategic plan calls for, among other initiatives, the enhancement of the holistic student experience, with strong attention to faith formation, academics, and student engagement in the learning process. And, to guide us toward mastery in these areas, we are compelled to obtain feedback from our current families, faculty and staff. The surveys we conducted at the end of the school year tell us that our stakeholders are extremely pleased with the whole person experience our students are having at Bishop Chatard, especially when compared to the norms for high schools both locally and nationally, and they point out a few areas where we can improve. Needless to say, our goals for the coming year take this feedback into account.

Our strategic plan also includes the importance of affordability and, when considering the amount of funds raised for tuition assistance last year, it is clear that all of you who support us feel as strongly about this as we do. Over \$1,450,000 was raised through all of our Annual Fund initiatives in fiscal year 2019, allowing us to distribute over \$1,100,000 in need-based financial aid to over 46% of our qualifying students. The remaining funds were used to more justly reward our high-performing teachers, a goal we continue to prioritize with each passing year. These efforts have resulted in a 44% increase in teachers with a master's degree, taking our current total to 80% of our faculty. And, our ability to hire and retain quality educators continues to be enhanced.

Finally, one of our strategic goals was to expand the campus to add parking to facilitate security and safety for our students, as well as manage the increased need for daily and special event parking and complete the stadium as a means to build community with both internal and external stakeholders. A beautiful example of the support we receive is the generosity of some of our community members to a recently completed, silent capital fundraising effort we named the Moments Build Momentum campaign. We raised \$3,000,000 from a small contingency of donors that will allow us to expand the campus for the first time in over five decades and complete the stadium with home-side bleachers.

More importantly, the success of this campaign ensures a more expedient path to the accomplishment of the remaining master plan projects – a performing arts facility and the expansion of the main building to include a chapel and additional classrooms. All of these capital projects contribute to the long-term vitality of Bishop Chatard all the while supporting the formation of the whole person experience that we all desire for our students.

God bless you for all you do to help us form our students as our faith impels us,

The 2018-2019 school year was another record breaker for our Annual Fund. Each year that I have worked directly in our development efforts, I have grown in my appreciation, admiration and amazement of our donors. Thanks to all of those who made a sacrificial financial gift. Due to your generosity, we are able to help deserving students and families afford the life-changing formation program of Bishop Chatard High School. Furthermore, through the unselfishness of those who give, we are able to more justly compensate our teachers. I trust that “whoever sows generously will also reap generously.” (2 Corinthians 9:6-8).

A few years ago, we conducted a survey that went to the entire Bishop Chatard community (parents, students, faculty, staff, former parents, alumni, etc.). In addition to soliciting feedback on our strengths and opportunities for growth, we were also interested in knowing how the community defines itself. We wanted to find three or four adjectives the community believed best described Bishop Chatard. When the survey data was analyzed, the top four adjectives were innovative, genuine, hardworking and humble. It was interesting to sit in the meeting when this information was presented. Typically, there are questions and discussions when survey results are reported. In this instance, there was a brief pause and then we all agreed, “yes, this is Bishop Chatard.”

Hardworking. This is the descriptor that stands out most to me while I reflect on the 2018-2019 school year. I witnessed an unbelievable number of individuals willing to step forward to serve. Through their leadership, innovative ideas, sacrifices and efforts we were able to secure Annual Fund amounts that were previously unachievable. Whether it was the Annual Fund Dinner table captains, Golf Outing committee, Chatard-A-Bratton committee, Chatard-A-Bratton table captains, Trinity Club volunteers, Alumni Board or reunion committees, we had the folks we needed to make extraordinary things possible. We would not be the outstanding community we are today if it were not for our volunteers. The success of any institution in the future both near and far depends on the commitment of individuals that comprise the community. It is reassuring to know that at Bishop Chatard we do not have to concern ourselves wondering if volunteers will be available.

Our struggle is typically how to most effectively and respectfully utilize the great willingness and ability of all those who work hard on behalf of Bishop Chatard in a volunteer capacity.

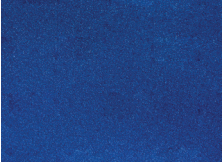

Therefore, please join me in thanking the many individuals who have committed themselves to the role of volunteer. However, do not be surprised if these dedicated people deflect your thanks to other volunteers. At the end of the day, our volunteers, while hardworking, remain undeniably humble.

May Mary Queen of Heaven (the preeminent role model of hard work & humility and the patron saint of Bishop Chatard) intercede in a special way for all of you and your personal intentions.

Go Trojans,

TYLER MAYER

AWARDS

2018 'A' LETTER GRADE

The Indiana Department of Education awarded an 'A' letter grade to Bishop Chatard for the 2017-2018 school year. Indiana's A-F model holds schools and corporations to a higher standard and provides a more accurate picture of their performance by incorporating student academic growth and graduation rates, as well as college and career readiness, as measures of success.

FOUR STAR SCHOOL

Bishop Chatard High School was named a Four Star School of Indiana for the 2017-2018 school year. Four Star School awards for the 2018-2019 school year are expected in early 2020. In order to achieve this designation, a school must be in the top 25th percentile of schools in two ISTEP-based categories.

A SCHOOL OF EXCELLENCE

Bishop Chatard was honored in 2014 as a School of Excellence by the Catholic Education Honor Roll, part of the Cardinal Newman Society. Schools are awarded the designation based on the integration of Catholic identity throughout all aspects of their programs and excellence in academics.

MASTER LEVEL THRIVING SCHOOL

Bishop Chatard High School was recognized in 2019 by the City of Indianapolis as a Master Level Indianapolis Thriving School. The Indianapolis Thriving Schools Challenge is a green schools certification program that focuses on early education about sustainability and engaging children and young adults in important topics like environmental stewardship, social responsibility, waste reduction and conservation of resources.

ADVANCED PLACEMENT AWARD

Bishop Chatard High School was recognized in 2019 by the Indiana Dept. of Education for exemplary performance on Advanced Placement exams in 2018. A school must have at least 25 percent of a graduating class receive a 3 or higher on an AP exam to receive the Advanced Placement Award from Superintendent of Public Instruction Dr. Jennifer McCormick, and Bishop Chatard's Class of 2018 had 42 percent reach this level of achievement. BCHS was in the top 3 percent of Indiana high schools.

ACCREDITATION

Bishop Chatard is accredited by AdvancEd, the national accrediting agency, and is committed to the education of the whole person. While emphasis is placed on academics, students deepen their faith through retreats, liturgical celebrations, and service projects. They strive to develop their talents and interests through a broad spectrum of extracurricular activities.

Ave Maria Legacy Society

We are deeply appreciative to our charter members for their thoughtful generosity which will help to ensure the future strength of Bishop Chatard High School in the years to come. To become a member of the Ave Maria Legacy Society, just let us know in writing that you have included BCHS in your estate plans and provide us with the proper documentation.

Your planned gift to Bishop Chatard can be funded with cash, retirement assets, life insurance, securities, tangible personal property, and real estate. Depending on the type of gift you choose, planned giving can provide tax savings benefits as well as the joy of knowing your gift will benefit Bishop Chatard students for years to come.

Contact Director of Development Margaret Ruffing at mruffing@BishopChatard.org or 317-251-1451, ext. 2242, for information or to inform Bishop Chatard of your intention to include the North Deanery high school in your estate plans.

Young Alumni President's Circle

The Young Alumni President's Circle (YAPC) brings together Bishop Chatard alumni who graduated less than 15 years from the date joining and want to ensure others have the chance to experience the power of a Bishop Chatard education. Members of the Young Alumni President's Circle are among Bishop Chatard's most distinguished supporters.
